ADVENTURES

Author's Words

Hidenori Kusaka

The main character that takes center stage in this segment of Pokémon Adventures is probably something that I've been looking forward to. I've always thought that since this comic is about Pokémon, it would be nice to create someone who's an expert in capturing! Kudos to those who managed to get around the game itself easily! Now your rival in capturing Pokémon is here. I will do my best in presenting the capture pro at her prime!

Satoshi Yamamoto

Hey everybody! From book 10 onwards, I will be drawing for Pokémon Adventures. I started without knowing anything about Pokémon but only with my heart bent on portraying the coolest side of the heroine and her pet Pokémon. Before I knew it, the comics were ready for sale! Everyone, please continue to show your support for us!

YOU CAN ACTUALLY GAUGE THEIR STRENGTH?
YEP! ALTHOUGH THEY LOOKED AGGRESSIVE, THE ONLY ATTACK THAT THEY USED WAS EMBER. THAT'S WHY I ASSUMED THAT THEY CAN'T BE ANY STRONGER THAN THAT.
